25	252	252	250	252	252	253	253	252.00	248.00

Source: Average indicative prices from exporters

Given strong local demand for supplying to outstanding export contracts, export prices were mostly stable on high side during the week period. Still less respond from fresh deals.

Local paddy were within VND2,400-2,450/kg, unchanged from previous week.

(Prevalent exchange rate is \$1 equal to VND 15,837 as of May 12, 2004)

**Exports**

The following are reported rice exports (metric tons) from April 30 to May 6, 2005.

Week ending	Quantity	4-WK Avg.	Year to date	Year ago
March 04	144,000	83,000	579,000	251,000
March 11	48,000	85,500	627,000	355,000
March 18	102,000	93,500	729,000	431,000
March 25	122,000	104,000	851,000	587,000
April 01	179,000	112,750	1,030,000	850,000
April 08	80,000	120,750	1,110,000	979,000
April 15	161,000	135,500	1,271,000	1,244,000
April 22	144,000	141,000	1,415,000	1,276,000
