

Voluntary Report – Voluntary - Public Distribution

Date: March 21, 2025

Report Number: CB2025-0004

Report Name: Cambodia Ends Frozen Pork Offal Ban

Country: Cambodia

Post: Ho Chi Minh City

Report Category: Livestock and Products

Prepared By: Jane Luxner

Approved By: Jane Luxner

Report Highlights:

On March 11, 2025, the General Department of Customs and Excise of Cambodia announced the import ban on frozen pork offal would end on March 12, 2025. Cambodia placed a temporary ban on several types of Frozen offal in March 2024, the ban on all other affected products was lifted in September 2024.

Summary

On March 11, 2025, the General Department of Customs and Excise (GDCE) of Cambodia announced the temporary import ban on frozen pork offal would end on March 12, 2025. The two impacted HS Codes are 0206.41.00 and 0206.49.00. The initial temporary ban was effective March 12, 2024 to September 12, 2024 and included bans on frozen offal of bovines, poultry and other animals except for fish. The bans on all other affected products, except for frozen pork offal, were allowed to expire on September 12, 2024 (See GAIN Report: [Cambodia Extends Frozen Pork Offal Ban](#)).
