

Voluntary Report – Voluntary - Public Distribution

Date: July 23,2020

Report Number: CH2020-0102

Report Name: China Notifies Draft Maximum Residue Limits of Pesticides in Foods as SPS 1164

Country: China - Peoples Republic of

Post: Beijing

Report Category: FAIRS Subject Report

Prepared By: FAS Beijing Staff

Approved By: Michael Ward

Report Highlights:

On July 15, 2020, China notified 589 maximum residue limits (MRLs) on 67 pesticides in foods to the World Trade Organization SPS Committee as G/SPS/N/CHN/1164. The draft MRLs cover a range of horticultural products. The deadline for comments is September 13, 2020. China has not announced a proposed date of entry into force for the MRLs. Comments can be submitted to China's SPS Enquiry Point at sps@customs.gov.cn. This report contains an unofficial translation of the draft MRLs.

Summary:

On July 15, 2020, China notified 589 maximum residue limits (MRLs) on 67 pesticides in foods to the World Trade Organization SPS Committee as G/SPS/N/CHN/1164. The draft MRLs cover a range of horticultural products. China has not announced a proposed date of entry into force for the MRLs. The proposed limits will not come into force until China revises and publishes the National Food Safety Standard for Maximum Residue Limits in Foods (GB2763-2019), which took effect on February 15, 2020 (see GAIN report [CH2019-0170](#)).

The comment deadline is September 13, 2020. Comments can be submitted to China's SPS Enquiry Point at sps@customs.gov.cn. This report contains an unofficial translation of the draft MRLs.
