Government of Qatar Delays Lifting of U.S. Beef Ban 2007

Approved by:

David Williams

Prepared by:

David Williams

Report Highlights:

The Government of Qatar has indicated that it will delay the lifting of its ban on imports of U.S. beef until at least May of 2007.

Includes PSD Changes: No
Includes Trade Matrix: No
Unscheduled Report
Dubai [TC1]
[QA]

The Government of Qatar has indicated that it will delay the lifting of its ban on imports of U.S. beef until May of 2007. Qatar's National Health Authority had indicated that it was considering lifting its ban on imports of US beef during March, but has now decided to wait until the World Animal Health Organization concludes its May meeting and makes a final determination concerning the United States' BSE risk status.
