

Voluntary Report – Voluntary - Public Distribution

Date: October 20,2020

Report Number: KS2020-0046

Report Name: Korea Fresh Cherries Market Brief

Country: Korea - Republic of

Post: Seoul ATO

Report Category: Product Brief, Fresh Fruit

Prepared By: ATO Seoul, OAA Seoul, Hye Rim Chun

Approved By: Andrew Anderson-sprecher

Report Highlights:

Cherries are one of the most popular imported fruits in Korea, followed by bananas and oranges. This trend is expected to continue in the coming years. NOTE: Market Briefs are a series of shorter, graphically friendly reports developed by ATO Seoul. They are designed to give potential exporters a quick overview of the market. We welcome feedback on the new format at atoseoul@state.gov.
