Report Category: Agricultural Trade Office Activities, Country/Regional FTA's, Trade Policy

Monitoring, WTO Notifications

Prepared By: Mohamed Fardaoussi

Approved By: Benjamin Rau

Report Highlights:

On January 1, 2025, the Government of Morocco (GOM) published Circular # 6622/222, announcing the required tariff changes under the U.S.-Morocco Free Trade Agreement (FTA) for Calendar Year 2025. The circular includes tariffs, tariff-rate quotas (TRQs), tariff-rate quota administration, agricultural safeguard measures, products covered by the preference clause, and allocation procedures. The most significant change impacting agricultural products are additional safeguard measures for frozen or chilled chicken legs and wings. In Morocco's 2025 Finance Law, Morocco suspended import tariffs on fresh, chilled, or frozen meat of bovine and ovine species within the limit of a quota of 40,000MT from all origins.

General Information

On January 1, 2025, the Government of Morocco (GOM) published Circular #6622/222, announcing tariff changes as required under the U.S.-Morocco Free Trade Agreement (FTA) for calendar year 2025. The circular includes tariffs, tariff-rate quotas (TRQs), tariff-rate quota administration, agricultural safeguard measures, products covered by the preference clause, and allocation procedures.

Circular highlights include:

- 1) Products fully phased out of tariffs, listed below under Annex II, List 1.
- 2) Annex II List 2: Products not fully liberalized.
- 3) Annex IV: Agricultural Tariff Quotas for the period January 1st to December 31, 2025.
- 4) Additional duty to be applied as part of the implementation of agricultural safeguard measures (MSA) for the period from January 1 to December 31, 2025 (Annex V) for frozen, fresh or chilled chicken legs and wings.
- 5) Agricultural products covered by the preference clause (Annex X)

In Morocco's <u>2025 Finance Law</u>, Morocco suspended imports tariffs on fresh, chilled, or frozen meat of bovine and ovine species within the limit of a quota of 40,000 MT from all origins until December 31, 2025. This measure is part of the government's efforts to ensure a steady supply of red meat to the local market and stabilize prices.
