Report Highlights:

On May 16, 2019, the second stage of Kazakhstan's 2019 meat quotas were announced by the Kazakh Ministry of National Economy. The Ministry of National Economy Decree No 39, dated May 16, 2019, was registered by the Ministry of Justice on May 28, 2019. The Decree approves tariff quotas for certain types of meat and poultry products for 2019, per specific importer and comes into force ten calendar days after its first official publication.

General Information:

Starting from January 1, 2010 tariff quotas were introduced by the Customs Union Commission Decision No 130 dated November 27, 2009, for Belarus, Kazakhstan and Russia. Since then, the Customs Union Commission and later on the Eurasian Economic Union Commission approved specific TRQ volumes for beef, poultry and pork for member counties. Kazakhstan, in turn, approves specific volumes of beef and poultry per specific importer, who is authorized to import the product under the preferential customs rate at 25 percent, but not less than 0.2 EURO per kilogram. Any poultry imported outside of the quota is assessed a duty rate of 80 percent of the customs value, but not less than 0.7 euro per kilogram. Beef and poultry meat are still under TRQ regimes whereas pork quotas were cancelled in 2016. In 2018, the TRQ for beef was filled at 3 percent and poultry at 75 percent.

On May 16, 2019, the second stage of Kazakhstan's 2019 meat quotas were announced via [Kazakh Ministry of National Economy order No 39](#), which was registered by the Ministry of Justice on May 28, 2019. The Decree was officially published on the Information Legal database of the Legal Acts of the Republic of Kazakhstan webpage on June 3, 2019. The Decree comes into force in ten calendar days after its first official publication, i.e. June 14, 2019.

The decree approves tariff quotas for certain items under the following HS codes: Meat of bovine animals, fresh or chilled (HS 0201), Meat of bovine animals, frozen (HS 0202) and Meat and edible offal, of the poultry of heading No.0105, fresh, chilled or frozen (HS 0207).
